Re: Internet Fraud Complaint Center (FBI)
People just don't understand that HYIP is a synonym for Gambling. If you know the rules of the game, you might win. If you don't, don't play, you'll lose your money.
Don't read the bull**** stories these hyips give you. The rules are simple:
1. give us your money.
2. wait a few cycles.
3. withdraw your money before we close.
There are more advanced guidelines on how to increase your chances in hyip, but that's a secret
